

10 KINDERGARTEN PROJECT – Doha

AEROFOAM® XLPE

Client:
ASGHAL

Location:
Around, Doha

Consultant:
AEB

MEP Contractor:
Marine Air Conditioning

The Aerofoam insulation was delivered in 2012-2013, being used for the Ducting applications. All the manufacturer recommended installing procedures were followed during the works.

The Public Works Authority (Ashghal) constructed a number of new schools and kindergartens in different parts of Qatar.

This project includes nine kindergartens at Sailiyya, Shahaniyya and Duhail and two KGs each at Bu Nakhla, Ain Khaled and New Doha areas. Each of these buildings will have 12 classrooms, administrative offices, and annexes consisting of a guardroom and storeroom, in addition to shaded parking areas, external lighting and landscaping.
