

MIC QP PROJECT – Doha

AEROFOAM[®] XLPE

Client:
QP – Al Aqaria

Location:
Mussaid

Consultant:
CEG

MEP Contractor:
ATTCO.

The Aerofoam insulation was delivered in 2012, being used for the HVAC applications. All the manufacturer recommended installing procedures were followed during the works.

This site is located in Mesaieed Industrial City region. The developer company (AL-AQARIA) created a super regional recreation building with a unique leisure and entertainment facility. The master layout plan consists of: basement, ground & first floors, having a total built up area of 26,000 m².
